

All-Flo Accessories | Drum Pump Kits

All drum pump kits include a 40" long suction tube and a bung adaptor for the 2" bung opening on standard 55 gallon drums. Drum pump kits should be used with pumps that are configured with bottom suction.

Part No.	Product Series	Size	Material	Connection
ADK-025-S-Y	A025	1/4 in.	Nylon	NPT and BSP Compatible
ADK-025-S-P	A025	1/4 in.	Polypropylene	NPT and BSP Compatible
